## **IDPA Pistol Match**

These matches are official IDPA sanction events.

Matches are held on the 4th Saturday of each month through September.

Registration at 8:30 AM – 9:00 AM

Matches start at 9:00 AM.

Bring 100 rounds of ammunition, extra magazines or speed loaders. Bring weapon and holster that would be practical for day to day use as concealed-carry. In general, competitors will fire 9MM, 38 SPL or higher caliber.

No race guns, no compensators, no ported barrels, no scopes, no red dots or lasers, no add-on weights.

ECSA promotes safety and proficient use of firearms and equipment suitable for concealed carry self-defense. The main goal of these matches is to test the skill and ability of the individual, not equipment or gamesmanship. The matches emphasize shooter skill over spending ability and gadgetry.
