Friends of NRA Grants

Doug Wickre reported that the Friends of NRA grant meeting he attended in Redmond split the grants with 70% of the monies going to youth organizations, such as, FFA, 4H, ROTC, etc. Only 30% of the monies went to organizations such as ECSA. Unfortunately, the \$8000 ECSA requested was not granted for 2018. Doug noted that no grants were approved for range development with most of it going to youth group scholarships.

RSO Class

Ron Fox, a certified NRA instructor, will offer to hold a Range Safety Officer class if 10-12 people sign up. The class would be open to ECSA members and the public. The cost of the class will be about \$70.

If you are interested, send an email to secretary@eaglecapshooters.com. When we have enough participants we will schedule the class and notify you.

IDPA Volunteers

Ron Fox requested volunteers to help set up Fridays before the monthly IDPA shoots. A lot of work goes into setting up targets for the IDPA scenarios and any help would be greatly appreciated. Help putting away targets and equipment after the shoot is generally handled by the participants but, is also very much appreciated. If you have a spare hour or two to meet out at the range on a Friday afternoon and set up for the IDPA shoot let Ron know.

New Business

Tractor replacement

A used 60 hp tractor to replace the tractor donated for use by August Vanderwey is available for \$5500. The tractor needs tie rod repairs but is in otherwise good condition. On a motion by Bob Jones and seconded by Bill Oliver the membership voted to purchase the tractor and pay 1/2 of the money now and the balance by 3/15/2019.

Insurance

Policies have been drafted for liability insurance (\$2054) and property insurance (\$680) for all outbuildings at the range.
