Range Status

Doug Wickre reported he put up a new sign at the range. Clarence Norton said he has put up new spring-loaded flags/signs at the main gate. Plowing snow was discussed but Clarence Norton mentioned the tractor has a flat tire. John Wright mentioned his tractor could possibly be used.

Treasurer's report: The Treasurer's report was approved as read on a motion by Doug Wickre and seconded by Clarence Norton.

The detail of the Treasurer's report is available at the general meeting or you can contact Donna Goebel.

John Straughan submitted receipts for purchase of trail camera and video surveillance signs with personal funds and Donna Goebel issued a check to John for reimbursement of personal funds for the purchase.

Range Safety Officers (RSO)

Board members discussed the need for more RSO's. Six to eight people are needed in order to schedule a training class. John will email ECSA members to inquire as to who may be interested.

Last Months' Minutes: The minutes were approved as read with one correction: Doug Wickre purchased the new lock for the gate, not Bob Jones.
