NRA Foundation funds

Although not yet official, Doug Wickre reported the NRA Foundation has tentatively approved approximately \$10,000.00 in grant funds for ECSA security surveillance equipment at the range which will include a solar power system and batteries, security cameras and recording equipment. Doug should receive official word from the NRA attorneys within two weeks. In addition, approximately \$15,000.00 in funds is tentatively approved for the Wallowa Rod & Gun Club.

Range Safety Officers

Doug mentioned ECSA needs to locate someone, preferably local, who can provide an NRA Range Safety Officer class as the club needs additional RSO's. John Straughan said he thinks one of members teaches this class in Enterprise and will verify this information.
