**Handouts:** Minutes from September meeting

### **Old Business**

#### **Clarence Norton**

The Board welcomed Clarence Norton back and was glad to see he's feeling better.

### **FNRA Banquet**

Doug reported 220 tickets have been sold to date which is close to a sell-out attendance.

### **FNRA Grant Funds**

Doug is still hopeful ECSA can get the \$10,000.00 in grant funds from the FRNA to use towards a concrete slab with covered structure.

### **New Business**

#### **Range Status**

John Straughan reported the overhead warning light is working again at the rifle range after charging the battery. John will check the solar panel indicator LEDs to make sure the panels are working.

#### **Last Month's Minutes**

Doug Wickre made a motion to approve the September meeting minutes as read. The motion was seconded by John Straughan and the minutes were approved.

#### **Treasurer's report**

On a motion by Bob Jones and seconded by Dave Kuhlman, the Treasurer's report was approved as read.

The ECSA membership list is now at 288 members. There are 335 voting members in total. The detail of the Treasurer's report is available at the general meeting or you can contact Donna Goebel.

#### **Board nominations**

Next month, the President and Treasure positions are up for nominations plus two Board members.

**Present for General Meeting:** Gail Wickre, Tom Thornton, Floyd McCadden

General Meeting called to order at 7:00 pm

### **Old Business**

#### **Public Range Days**

Doug Wickre reminded everyone of the upcoming Open Range Days for the remainder of 2019 and suggested the Secretary add this information to the ECSA website and Facebook page.

John Straughan reported two people attended the 10/12 open range day.

#### **December 2019 Gun Giveaway**

Bob Jones reported the price for the Glock 17 semi-automatic pistol from Ron Fox at Eagle Cap Firearm Services ended up being \$590.00 instead of \$400.00. Since \$400.00 was the approved purchase amount, Doug Wickre requested Tyler Hauck research guns and prices from Joseph Hardware.

#### **Solution for replacing the old trailer**

There was more conversation around ideas to replace the old trailer. Everyone seemed to agree that a 20' x 40' or 20' x 60' concrete slab with a covered wooden structure like the pistol range would be the best solution. Doug Wickre said if he can get the \$10,000 FRNA grant funds to pay for the concrete, and approximately \$43,000 from the ECSEA we could end up with a very good outcome.

#### **September 21 3GE Event**

Bob Jones and John Straughan provided a recap of the recent 3GE event. There were five shooters participating. The low number was likely due to buck season.

Bob Jones mentioned one of the Conex boxes could be moved from the competition bays to be used as storage for everything currently in the trailer. He feels one Conex box at the competition bays would suffice, after some cleanup and reorganization.

### **New Business**

#### **Rifle cartridges found at pistol range**

Dave Kuhlman reported finding center fire cartridges at the pistol range. Doug Wickre remarked that it was likely law enforcement and they bring their own targets.

#### **2020 Budget**

Doug Wickre said he will begin preparing the budget for 2020.

#### **New targets**

John Wright asked if ECSA had approved \$500.00 per year towards purchase of new and replacement of damaged targets. If so, John recommended purchasing more steel targets.

Bob Jones said he would check with MGM targets about a used knock-down target like the one we left in the competition bays.

### **This Old Gun**

Bob Jones presented a Winchester model 75 bolt-action .22 caliber military training rifle he bought for \$50.00 in 1962. The gun was built in 1950.

Tyler Hauck presented a .475 lever action rifle custom built by Gary N. Reeder in Flagstaff, Arizona. The gun is approximately 15 years old and valued somewhere around \$1100.00
