Range Cleanup Day

We are having our spring range cleanup day on Saturday, May 5 starting at 0900. If you have been out to the range recently you can see we have a lot to do since some folks think they should just leave their garbage for others to pick up! Bob Jones has arranged for us to have a few community service volunteers to help. Please come out for a couple of hours. Bring some buckets, rags, cleanser, 409, rakes, shovels, etc., and join the fun. BTW, the brass buckets are not targets!

This Old Gun

Bill Oliver brought his French 1820's percussion pistol with a Damascus barrel in for all to ogle over. A beautifully made pistol made by Penel in .58 caliber.
