All Students must register with ODFW by going to the ODFW website. If they do not have an account, they must create one. Once on the ODFW website, the student clicks on “Purchase from Catalogue”. Next click on “Class/Workshop” and click “View All”. It is alphabetical, so look for “E” for Enterprise. Click on Enterprise and view more details. The course costs \$10.00 which you add to the cart. This will register the student for the class with field day.

Students must complete an online course and bring proof of completion to attend this ODFW Field Day. There will be a multiple choice written exam. Find the course here:
